Frank Pendle and Vern McAlister launch their campaign in the Freshman Class Play, "His Honor, The Mayor," an original comedy written by Joe Hamilton, class advisor.

Is this any way to run City Hall? Frank Pendle doesn't think so with Shirley Allen on his right arm and Lee White hanging on his left.

"His Honor, The Mayor"

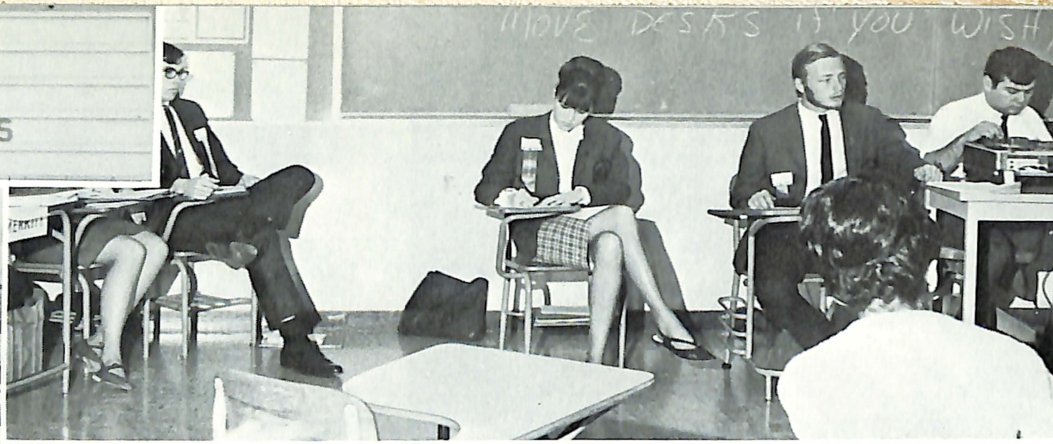

His Honor, the Mayor, Frank Pendle spurns the affection of his social secretary Bunny, played by Lee White.

When the cat's away the mice will play. And this is exactly what Ed Cameron and Terry Stephens did when his Honor, the Mayor, was out.
